

PRODUCT CATALOGUE

Product catalogue Version 1

A focused sourcing range for hospitality OS&E, stainless-steel back-of-house products, buffet equipment and kitchen smallwares.

How to use this catalogue

This catalogue presents HOSTSPAN's initial sourcing scope. Each product card lists the specification inputs required before supplier comparison and quotation.

01

Select the item

Quote the HOSTSPAN SKU code and product name.

02

Add the specification

Provide dimensions, material, finish, quantity and packaging requirements.

03

Confirm the project terms

State the destination, delivery date, preferred Incoterm and required compliance documents.

04

Review comparable offers

Supplier options are compared against one controlled requirement. Deviations are shown in writing.

Category illustrations identify the product type. Final drawings, dimensions, material declarations, samples and test documents must be approved for each order.

Housekeeping and lobby

**HL-001**

Housekeeping Trolley

SPECIFICATION INPUTS

Overall size; shelf layout; bag capacity; caster specification; bumpers; material and finish

TYPICAL BUYERS
